Build Fire-Safe From The Ground Up

From Start to Finish, our Construction projects are engineered for Durability and Resilience. We use ONLY 100% Non-Combustible materials so your Home is naturally Strong, Energy Efficient and Non-Combustible.

Compliant with and exceeding all CA Building codes we pass the strictest standards available from our engineering and construction methods to your finished Home.
All Materials are locally sourced and always non-combustible.

Your Fire-Safe Builder

At Fire Guard Homes we're committed to protecting people, properties and peace of mind.

With decades of real-world experience our family-owned and operated team has the knowledge, skills and plans to deliver personalized Fire Guard solutions that ensure Seismic Compliance, Energy Efficiency, Title 24 Compliance and most of all a 100% Non-Combustible structure that will reduce risk and provide long-lasting security.
